

**REMARKS**

Because the present application was filed more than one year after the filing of Korean Application No. P2002-078006, Applicants withdraw the claim for foreign priority under 35 U.S.C. 119. As such, Applicants amend paragraph [0001] in this Preliminary Amendment. The claim for foreign priority in the Combined Declaration and Power of Attorney filed December 17, 2003, is also withdrawn.

Applicants submit that the filing of Korean Application No. P2002-078006 constitutes a constructive reduction to practice. If a certified copy of Korean Application No. P2002-078006, a translation thereof, and/or a Declaration under 37 C.F.R. § 1.131 is needed to establish an earlier date of invention or reduction to practice in accordance with 35 U.S.C. § 104, the Examiner is invited to contact Applicants' undersigned representative. Applicants submit that no patent has issued prior to December 17, 2003 as a result of Korean Application No. P2002-078006.

Applicants respectfully believe that no fees are due in connection with the filing of this Preliminary Amendment. However, if there are any fees due in connection with the filing of this Preliminary Amendment, please charge the fees to our Deposit Account No. 50-310. If a fee is required for an extension of time under 37 C.F.R. 1.136 not accounted for above, such an extension is requested and the fee should also be charged to our Deposit Account.

Respectfully submitted,

**MORGAN, LEWIS & BOCKIUS LLP**
